

ISoms Booking

Classification and Sentence Security Updates

If users in booking are no longer able to change the Inmate Sentence fields or Classification. They are now connected to individual profile permissions.

Inmate Sentence data

Below screenshot shows fields that are disabled. This is the case if the users profile does not have View/Add/Edit rights to the Booking Sentence Program Module. (Not just booking). These fields are also disabled on the individual charge screen as well. Meaning only a user with Sentence rights can change / compute the inmates Release Date/Time.

The screenshot displays a web application interface for managing inmate sentence data. At the top, there is a navigation bar with tabs: Intake Property, Assigned Property, Movement, Temp Release, Sentence (selected), and Work/Restrictions. Below this is a secondary navigation bar with tabs: Billing, Assessments, Mittimus, Meal Log, Grievance, Aliases, and Features. The main content area is titled 'Continue Sentence Credit After Release' with a checkbox. Below this, there are fields for 'Sentence Start' (07/22/2020), 'Time' (15:00), 'Sentence End' (disabled), and 'Time' (disabled). There are also buttons for 'SENTENCE NOTES' and 'SENTENCE DETAIL', and an 'Estimated Release Date: 10/04/2021 07:00'. The form is divided into sections for 'State Sentence' and 'County Sentence'. The 'State Sentence' section includes 'State Years' (1), 'State Days' (10), and 'Percent To Serve' (100), with a 'State Time: 10 Days' label. The 'County Sentence' section includes 'County Months' (1), 'County Days' (65), 'County Hours' (1), and 'Percent To Serve' (100), with a 'County Time: 65 Days' label. At the bottom, there are fields for 'Credit Behavior Days' (8), 'Credit Behavior Hours' (2), 'Credit Program Days' (1), 'Credit Program Hours' (4), 'Credit Days In Custody' (22), and 'Credit Hours In Custody' (3). All fields are disabled, indicated by a light gray background and a lack of focus.

The user will also need edit rights to BOOKING to update these values. This security allows us to disable so only the Sentencing officer can change them.
